“KEEP ON”

“Some West Coast Praise”, Album

“Psalm 33:3 says ‘Sing unto the Lord a new song, Play skillfully with a loud noise’. So if you don’t mind we’re going to go around the horn one time”

“We’ve been jamming’ for Jesus a long time, and we ain’t got tired yet. Sometimes it feels like an uphill climb, but we ain’t got no regrets! And if we take a little break, we’re just leaning on the Cornerstone. And we won’t stop before we drop. We gotta keep on Keepin’ on!

He helps me with decisions I make. He keeps me from making a mistake. He guides me through the steps I take. And He let’s me know who’s real and who’s fake. (2x)

Out section
